

**Thank you for volunteering to provide some personalization to our make-up giveaway. This would not be possible without you. Here is what you need to know:**

### **The Why:**

Cinderella's Closet was blessed again this year with a donation of make-up from e.i.f. We plan to create give-away bags, like those we made for the event, to deliver to each school for junior and senior girls. While it is not safe for us to hold our traditional give-away event this year, we wanted to still bring a personal touch to these bags. This is where you come in. Please consider writing a personal note to a few of our Cinderella's that we can include in these bags.

### **The How:**

1. Download/print copies of the letter template.
2. Please **handwrite** all letters to make them more personal.
  - a. We encourage you to use the script on the next page. Feel free to add a little zeal of your own if you like but you do not have to.
  - b. **Use colors or decorations** to emphasize and highlight. This way this letter stands out.
  - c. Address with just your <First Name> below "With Love"
3. Please place all of your handwritten letters in one envelope (we would prefer if they were flat but if needed we will accept them tri-folded). Please **do not** put them in individual envelopes and **do not seal** them. You can use either option below to get them to us.

- a. Place them in the mail no later than **April 1<sup>st</sup>**.

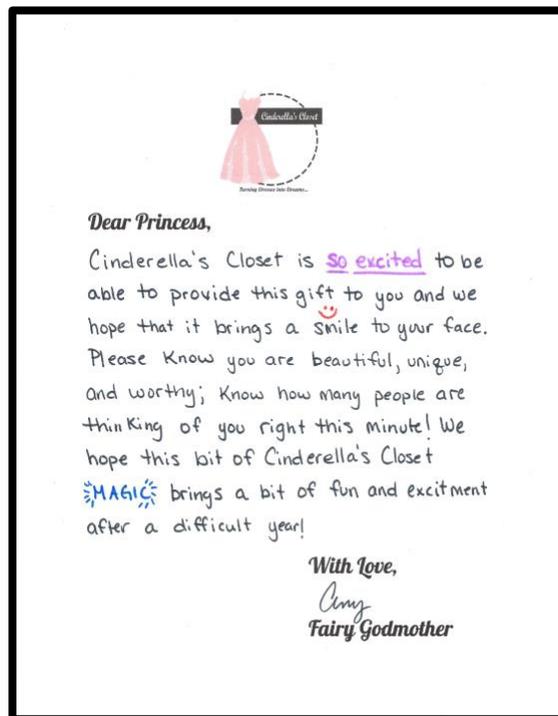

Cinderella's Closet  
Immanuel United Methodist Church  
2551 Dixie Hwy  
Lakeside Park, KY 41017

- b. Drop them off at the above address no later than **April 10<sup>th</sup>**. There will be a basket outside for contactless drop off.
